MST ZEBA MALIHA RADIYA

CSE Student | Aspiring Full-Stack Web Developer

Email: 20240659122maliha@juniv.edu
Location: Bangladesh
GitHub: https://github.com/maliha-cse
LinkedIn: https://www.linkedin.com/in/mst-zeba-maliha-radiya-aa436b430

PROFESSIONAL SUMMARY

Computer Science and Engineering student at Jahangirnagar University with hands-on experience building academic and personal web development projects. Familiar with JavaScript, TypeScript, React, Next.js, and Tailwind CSS. Eager to strengthen software development skills, learn from experienced developers, and contribute to meaningful projects through an internship or entry-level opportunity.

EDUCATION

Bachelor of Science in Computer Science and Engineering (B.Sc. in CSE)
Jahangirnagar University, Bangladesh
2024 – Present | Expected Graduation: 2028

TECHNICAL SKILLS

- **Programming Languages:** JavaScript, TypeScript
- **Frontend Development:** React.js, Next.js, Tailwind CSS
- **Web Development:** Responsive UI development, component-based development

PROJECTS

1. Dev Stack Builder
A React application that allows users to build and manage a personalized technology stack.

- Implemented interactive features for adding and removing technologies from a stack.
- Built a component-based user interface.

Live Demo: https://inquisitive-panda-dfc975.netlify.app/
GitHub: https://github.com/maliha931/dev-stack-builder

2. Fit Log
A workout library and planning application built with Next.js.

- Developed workout browsing and dynamic workout detail pages.
- Implemented workout planning and saved-workout functionality.

Live Demo: https://fit-log-27o7.vercel.app/
GitHub: https://github.com/maliha-cse/fit-log

3. Bazar Dor
A Bengali-first web application focused on essential product prices in Bangladesh.

- Built a user-focused interface for presenting product price information.
- Focused on making information accessible to Bengali-speaking users.
